CARE GUIDE — GLASS

HOW TO CLEAN / POLISH

GLASS

To get rid of dirt and dust, mix a mild detergent with warm water. Dip a microfiber cloth in the water and wipe the item down. If necessary, wipe the item dry with a soft and dry cloth. Note that the glass is handmade / mouth blown and small variations in colour, shape and texture may therefore occur. Must be handled with care. Avoid rubbing with a rough cloth, as it could damage the surface of the glass. The item is not dishwasher safe and must be handwashed as written above.

STORYTELLING

UVA GLASS BOWL / BY AYTM DESIGN TEAM

Sculptural elegance meets everyday function in the UVA glass bowl. With its softly curved silhouette inspired by the natural lines of grapes, this glass bowl brings a sense of movement and grace to any setting.

Crafted from high-quality glass with a refined finish, it stands as both a decorative object and a functional piece - ideal for displaying fruit, serving, or simply elevating your space with its organic form. Part of the UVA family, it's designed to make a subtle yet striking statement in modern interiors.
